Greater San Diego Association of REALTORS® Celebrates Top Producers at Summer Celebration

San Diego (August 13, 2021) – Hundreds of guests, comprising the top 5% successful agents in the region’s real estate industry, came out for a long-awaited party on the San Diego bayfront on August 12.

The Circle of Excellence, celebrating outstanding REALTORS® and brokerage teams, is a prestigious honor presented by the San Diego Association of REALTORS® (SDAR) and San Diego Multiple Listing Service (SDMLS).

Attendees enjoyed appetizers and drinks at Coasterra on Harbor Island, gathering with peers and colleagues, and hearing regional and state housing forecasts from special guests Ray Major, Chief Economist for the San Diego Association of Governments; and Otto Catrina, President-Elect for the California Association of REALTORS®.

Although the pandemic changed the timeline of the annual celebration, San Diego real estate continued to have a banner year, and the Circle of Excellence highlights the achievements of the professionals in various categories. This past year more than 1,100 San Diego County REALTORS® qualified for the awards -- 80% of these top performers are members of SDAR.

For the “Recognition of Excellence” category, large teams (9 or more members), small teams (fewer than 9 members), and individuals were recognized at the Platinum, Gold, and Silver levels of achievement based on numbers of units sold and/or sale volume.

The “Awards of Excellence” celebrates real estate professionals who exemplify excellence among their peers in the categories of Broker, REALTOR®, Team REALTOR®, Office Manager, Affiliate, Rookie, as well as honors for International Real Estate and top agents in the “40 Under 40” age group.

To see the “yearbook” of honorees, visit <http://media.sdar.com/flip/coewinners>.

Michael Mercurio, Chief Executive Officer of SDAR and SDMLS, noted, “We are always delighted to showcase the best and brightest of San Diego’s REALTORS®. They worked

diligently, through difficult times, to make homeownership a reality for so many in our community this year.”
